

PIZZA WEEK MENU

Monday – Saturday (April 17-22, 2017)

This is our special menu for the week. During this time, we are simplifying our food offerings. In addition to our featured slice, we offer cheese, pepperoni, and Oregon truffle slices. Due to the demand of the featured slice, we offer only cheese, pepperoni, and Oregon truffle pies. Thank you for your understanding.

****We are excited to release our new spring menu on Sunday, April 23, 2017****
